

The Moving on Fair 2025

Our Annual Moving on Fair was bigger than ever. Students from **years 9 to 13** were able to speak to a diverse range of providers, organisations and industries, helping to widen their understanding of progression routes and break down barriers.

The Moving On Fair introduces aspirational choices, different job sectors and their opportunities to the students, broadening their horizons, aspirations and knowledge for further study and development as well as the working world.

Thank you to everyone who attended, and special thanks to **Ramsbury Estate** and **Waitrose** for their sponsorship.
