Dear Parents and Carers

### Collection of GCSE Art and Photography Work

I am pleased to be able to let you know that your son/daughter can now arrange to collect their GCSE art/photography work from the Art department.

If they are studying A Levels at St John's or have a sibling still in school, please ask them to arrange a collection time directly with their teacher from last year.

If they have left school, then please email me to arrange collection at a convenient time. My email address is [eobrien@stjohns.excalibur.org.uk](mailto:eobrien@stjohns.excalibur.org.uk)

I would advise that you arrange prompt collection of all work as storage space within the department is at a premium, and we are unable to store work indefinitely.

With kind regards.

Yours faithfully

**Miss E O'Brien**  
**Head of Art and Design**
