Mb/2021/Induction Day reminder2020

Dear Parents of Applicants to the Sixth Form

Sixth Form Induction Day – Friday 26th June 2020

I would like to welcome you to our first ever Virtual Induction Day which takes place on Friday 26th June from 10.00 am – 2.00 pm. We aim to give students an opportunity to learn more about the courses they have applied to study and have the opportunity to put forward questions that will be answered live at the end of the event. Please submit these in advance to mbrown@stjohns.excalibur.org.uk.

To join the Teams Live Event please use the following link (for both internal and external applicants):

(Link snipped for security reasons - check your email for the full letter.)

Alternatively there is a shortened version shown below:

The day starts promptly at 10.00 am with a welcome from our Principal, Mr Tucker so please join the event well in advance so that you do not miss the start of the presentation. The format of the day enables you to attend a session for each of the subjects you have chosen following the presentation.

I attach a programme which gives details of when each session will start and which subject is running in each time-slot. You will notice that some subjects are running more than once to give flexibility and ensure there are no clashes. You will be able to view the sessions after the event in case there are other subjects you are still considering studying at this stage.

The details for our Registration Day on Thursday 20th August are still being worked on and I will be in touch in advance to share the details. Please be assured that if grades are not quite what students were hoping for, they will be able to discuss other course options at that time.

If for any reason your son/daughter has decided not to come to St John's after all, it would be very helpful if you could let us know. I would be grateful if you could send me an email on rhaig-williams@stjohns.excalibur.org.uk if that is the case.

Yours faithfully

Mrs R Haig-Williams
