Mb/20-21/letter to Year 12 parents Feb21

Dear Parents/Carers of Year 12 students

As we approach the end of term 3 and therefore the mid-point of the academic year, I wanted to express my gratitude to you as parents and carers. Your continued and additional support is very much appreciated. The Year 12 students have been incredible in adapting to life online, and I thank them for their patience, resilience and ability to cope with continued challenging circumstances.

Parents' evening will take place this evening, **Thursday 11th February**, and I hope that you have been able to make all the appointments you need. I am pleased to say that it looks like it will be a busy evening. The appointments will give teachers the chance to give valuable feedback on student progress, and inform you about subject content for the remainder of the year.

Following your discussions at the parents' evening, if you have any queries about matters moving forward in Year 12, then please contact me on mharrison@stjohns.excalibur.org.uk and I will respond to you as soon as I am able to.

I wish you all a restful and enjoyable break next week and look forward to the students returning to school on Monday 22nd February.

Kind regards.

Yours faithfully

M Harrison
