Dear Parents

School Transport Arrangements: November 2020

Wiltshire Council have confirmed that the duplicate coaches arranged at the start of the school year, to ease the public service buses, will continue to run until at least Christmas.

If your child has been using any of the transport listed in the enclosed route list they can continue to do so from November 2nd.

Please note there are changes to the 2909 duplicate coach which is now stopping in Baydon before continuing to Aldbourne, Ramsbury, Axford, Mildenhall then St John's. The 920 is currently under-used causing the 20 public service bus from Shalbourne and Great Bedwyn to be overcrowded. Please encourage your child to use the duplicate coaches instead of the public buses where possible.

We would also like to remind all students that face coverings must be worn for the duration of their journeys.

Passenger Transport will contact all parents using school transport if there are any changes to their transport. Please ensure your child is fully aware of which bus they are travelling to and from school on. If you have questions regarding school transport please contact the Transport Team using the following email: ann.dark@wiltshire.gov.uk

As advised, please contact the Transport Team if you have questions regarding this provision.

Yours faithfully,

Mr MJ Cook
Logistics Director

Mrs A Wyatt
Transport Administrator
