Dear Parents, Carers and Students

Application to St John's Sixth Form – Further Information

I wrote to you yesterday to let you know that we have extended the deadline for Sixth Form applications until 22nd January. However, now you are not going to be in school and will therefore be unable to have your application form signed by teachers, we would encourage you to send it in with your preferred course choices without delay. Please be mindful of the grade requirements for the courses you would like to study when completing your application. This information can be found here:

<https://www.stjohns.excalibur.org.uk/wp-content/uploads/2020/11/Grade-Requirements-21-22-3.pdf>

There will be a further opportunity to discuss your choices at interview.

When you have completed your application, please can you either email it to us at vchamberlin-medd@stjohns.excalibur.org.uk or send it in the post.

Yours sincerely

Mrs R Haig-Williams

Assistant Vice Principal & Director of Sixth Form
