Dear Parents and Carers

YEAR 13 STUDY LEAVE

Firstly, I hope you and your families have had the opportunity for some rest over the Christmas break and the Sixth Form team would like to wish you all a Happy New Year. As we return to school, I wanted to confirm the arrangements for Study Leave for the upcoming Mock Exams. The students will also be informed directly and be given preparation advice from our Head of Exams, Mr Rogan, during assembly this Friday 7th January.

Study Leave for the Year 13 Mock Exams runs from 19th January – 28th January 2022. Students should attend school only for their exams, unless they have applied lessons. The arrangements for these will be agreed with the teacher in advance. Students with applied lessons may be asked to come in for some sessions during this period.

There is no Study Leave for Applied Exams although students may ask staff for the morning of the exams off to prepare.

Yours faithfully
