

1<sup>st</sup> April 2021  
RHW/vcm/Y13Photo2021

Dear Parents and Carers

## Year 13 Group Photograph

We are pleased to have been able to arrange the Year 13 Leavers' Photograph for the morning of 22<sup>nd</sup> April 2021. Times and details will be communicated to students during assembly.

We are planning to take the photograph outdoors, except in the case of extreme weather which will mean we are required to use the Theatre.

Masks will be worn during the lining up process and will only be removed for a very short duration at the time of the photo. There has been a risk assessment for both locations and weather eventualities. The photographers are trained and will maintain a minimum 2 metre distance and will be wearing PPE. Their staging will have been checked and sanitised.

If you do not want your child to take part, or they prefer not to take part, please email [vchamberlin-medd@stjohns.excalibur.org.uk](mailto:vchamberlin-medd@stjohns.excalibur.org.uk) by 21<sup>st</sup> April.

A letter with details on how to order will follow.

Yours faithfully

**Mrs R Haig-Williams**

Assistant Vice Principal & Director of Sixth Form
