

10 September 2020
v/Y13mock2020

Dear Parents

Year 13 Mock Examinations

Year 13 students are sitting mock A-level examinations from 28 – 30 September 2020.

All A-level students are expected to be in school only when they are sitting exams and they are entitled to study leave at other times.

As usual, mock exams are conducted according to the rules used for external exams. We expect students to line up in the Atrium 15 minutes before the scheduled start time, with correct equipment in a clear plastic pencil case. Students are not allowed to have unauthorised materials with them and in particular electronic devices such as phones and smart watches must be turned off and handed in, if they are brought into the exam room.

If you have any questions about arrangements for these mock exams, please contact our Exams Officer, Mrs Light.

Yours sincerely

Mr D P Rogan
Assistant Vice Principal
