aw/exams/CATS letter to parentsyr8

Dear Parents

COGNITIVE ABILITY TESTS – 4th October 2021

We carry out Cognitive Ability Tests on students to help us monitor students' progress and set targets for each year group. This is normally done at the start of Year 7, but as your child joined us later in the academic year we have arranged for them to take the tests on Monday 4th October – see the attached timetable for details.

Students will sit 3 tests: each lasting no more than 45 minutes. They will be briefed before each test and then work individually to complete it in the time allowed.

Students should meet in the Atrium at 8.30 in the morning with 2 HB pencils, a rubber and the attached timetable.

If you have any questions, please contact Mrs Wyatt in the Exams Office on 01672 519569.

Yours sincerely

Mr D P Rogan
Assistant Vice Principal
