Dear Parents and Carers

Coffee Morning for Parents/Carers of SEND students and New Homework Club

We will be holding our first coffee morning for parents/carers of students with SEND on **Friday 19th January 2024 at 09:00-10:30**. We hope to make this a termly event which is aimed at supporting the students and the SEND team working with them through fundraising, information sharing and training, as well as supporting parents. We recognise many working parents may not be available during the school day so will alternate with evening sessions.

I will be sending out a reminder in January with a link to sign up so we know who to expect and an opportunity to suggest agenda items if you cannot make it.

Also from January, we are pleased to be able to offer an afterschool homework club, Mondays to Thursdays. Again, a further letter will come out in January with a link to sign up to sessions, so we know which students to expect.

My very best wishes
