

29th January 2024
ATB/KS4DTVoluntaryContributionLetter

Dear Parents and Carers

KS4 Design & Technology Contributions

During year 10 our Design & Technology students make a range of products in preparation for their final exam piece in year 11.

The students benefit greatly from the wide range of high-quality materials we provide for them to make their products and, when completed, they are able to take these products home. To help toward the costs of these materials we ask for a voluntary contribution of £10.00. This money will be used to buy essential materials. We are fully aware that we are in difficult times, but any donations received are greatly appreciated.

Payment should be made online through ParentPay. If you have mislaid your log in details, please contact Mrs Shirley Woodburn on 01672 519567. Payment can still be made by cheque which should be placed in an envelope that is clearly labelled with your son/daughter's name, tutor group and 'D+T Contribution', and placed in the financial mailbox in the Atrium. For security purposes we request that you do not make payments in cash, as the Academy cannot be held responsible for the non-receipt of cash payments from students.

In cases of financial hardship, support may be available and a letter to Mr Henderson, the principal, will be dealt with confidentially and sympathetically.

Yours sincerely

Mrs A. Brindle
Acting Head of Faculty for Design and Technology
