LET/HC/Mathssetchanges

Dear Parents/Carers

Year 7 Maths Set Changes

Since the start of term our Year 7 Maths classes have been taught in tutor groups. We have now used the data from the CAT tests, as well our own written assessments and teacher assessment to put the students into classes. All students are in a mixed ability class which is either upper or middle.

Mixed Upper Group - 7WMaUFib, 7WMaUNig, 7WMaULace, 7PMaUHyp, 7PMaUPy, 7PMaUArc

Mixed Lower Group – 7WMaMTur, 7pMaMMain, 7PMaMEul

Each student's new timetable will be emailed to their school email address during the half-term break. This will be emailed to parents too. Please look out for this new timetable - and please print it if you are able - as it is likely to include some room changes and students need to be aware that they will be in these new rooms for their lessons from the very first day of next term (Monday 1st November).

We will be reviewing our classes throughout the year to ensure that your child is in the correct class to enable them to make the best possible progress. If you have any queries or concerns, please do email me: shines@stjohns.excalibur.org.uk.

Yours faithfully

S Hines
