FH/Parent Letter Unifrog

Dear Parents and Carers,

Unifrog – The Complete Destinations Platform

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after school, we will now be using Unifrog; an award-winning, online destinations platform. All students in Years 7, 8, 9, 10, 11, 12 and 13 now have access to this website.

Unifrog is the universal destinations platform and is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own account where they can explore all the career and next step options available to them and find information on everything from managing their workload to writing a winning CV. Students have access to a wide variety of video and written content, and interactive quizzes and tests, including:

Section of the platform	Examples of what students can do	Suitable age range
