Dear Parents and Carers

YEAR 6 OPEN EVENING 2021

The deadline for you to make your child's secondary education choices is fast approaching and we have had a number of requests enquiring about our plans for parents and students to visit St John's ahead of making their decision.

Following on from the success of last year, this year the Open Evening will once again be delivered through a series of on-line presentations via our website which will capture the atmosphere of St John's, and signpost you to all the information you will need. We will showcase our excellent facilities, and dynamic teaching environment that continues to make St John's one of the top performing schools in the country at GCSE and A Level.

Mrs Hawkins, Head of Year 7, and I are delighted to invite you to view all information relating to transition from 16:30 on Thursday 7th October, where we hope to answer all your questions. The web pages for Open Evening can be found here: <https://www.stjohns.excalibur.org.uk/admissions/y6-virtual-open-eve/>

We are delighted to invite you to take part in a Q&A session about life at St John's and the transition into Year 7. This will take place at 16:30 on Thursday 7th October.

If you would like to submit a question in advance of the session, please use the following unique email address; openevening@stjohns.excalibur.org.uk

I hope that our Open Evening will give you an insight into our inspiring academy and will give you all the information you need to help make the right decision for you and your child.

Yours faithfully

Mr I Tucker
Principal
