

11th May 2020

NAH/lew/year6/Transition20-21

Dear Year 6 Parents and Carers

CANCELLATION OF UNIFORM FITTING EVENT

Further to the transition information you have recently received from us, it has now become apparent that we will need to cancel the above event. With the requirement for continued social distancing, along with the possible risk of cross contamination of the uniform samples, it has been agreed that it is not safe to offer a uniform fitting service during this time. Therefore, the Uniform Fitting Event provisionally booked for either 13th July or 1st September will not go ahead. Individual fitting appointments will also no longer be available.

Our uniform supplier, School Colours, has produced a [Guide to Measuring for Uniform Sizes](#) to assist you in identifying the correct garment size. Please use this guide before making your order via the [Uniform Shop](#). Full details of our uniform expectations and requirements for Year 7 can be found [here](#).

Should you need to exchange an item, during this period, you can return your parcel direct to School Colours (return postage costs will be payable) or alternatively drop off your return (in original packaging with completed returns note included) to school by 2.00pm each Wednesday clearly marked SCHOOL UNIFORM RETURN and we will arrange a weekly delivery back to School Colours for processing. Your replacement item will then be despatched direct to your home address.

If you require any further assistance with your purchase of St John's uniform, please contact Cathy Stokes, Admissions Officer on cstokes@stjohns.excalibur.org.uk or Brigid Jones, School Business Manager on bjones@stjohns.excalibur.org.uk.

Yours faithfully

Ian Tucker
Principal
