Jcl/vl/year10timetable

Dear Parents and Carers

YEAR 10 TIMETABLE

In response to the recent questionnaire, we are strongly recommending that all Year 10 students follow the attached timetable this term, starting on Monday 4 May. This will give a clear structure and will help with planning a daily schedule and meeting all deadlines.

We realise that students are revising for the forthcoming online exams at the moment, but please use this schedule to help with when to revise.

The timetable, as much as possible, reflects the curriculum allocation. Some subject time has been reduced slightly to make a simpler timetable. The “Your Choice” slot at the end of each day offers some flexibility and allows time to catch up in areas in which students may have fallen behind the schedule.

Teachers will refer to the schedule when setting work and deadlines. For example, students can expect that Science work will be set on or before a Tuesday. The deadline for Science work will also be a Tuesday and students will be expected to work on Science on Tuesday, Wednesday and Friday.

All work is being set or signposted (if another platform is being used) through Show My Homework. If students have any questions about their work, they should contact their teacher using Show My Homework or email.

Yours faithfully

Mrs Vicki Light
Head of Year 10
