EOB/Yr11 | Collection of GCSE Work

Dear Parents and Carers

Collection of GCSE Art, Photography, Textiles and Graphics Work

I am pleased to be able to let you know that your son/daughter can now arrange to collect their GCSE Art, Photography, Textiles and Graphics work from the Art & DT departments.

Can you please ask your son/daughter to collect their work from the respective departments as soon as possible. If they have left St Johns and have a sibling still in school, please ask them to arrange a collection directly with their current Art/DT teacher.

Otherwise please email me to arrange collection at a convenient time. My email address is EObrien@stjohns.excalibur.org.uk. All work will be left in reception on the agreed collection day.

I would appreciate it if all work can be collected by the end of Term 2 by Wednesday 20th December. We have limited storage space in the department so will be unable to keep work beyond this date.

Yours faithfully

Miss E O'Brien
Head of Art and Design
