

AVIGNON

Il y a une Cathédral

Il y a une Centre commercial.

Il y a un Stade

Il y a un musée

Il y a une piscine

Things to do in Avignon

1. Visit the Sur le pont Avignon a Roman bridge that used to connect the two sides of the river know there is just half of it left.
2. The Palais des Papes or the Palace of Popes in English it is one of the largest and most important medieval gothic building in Europe.

FOOD

One of my favourite parts the food as you probably know France is famous for their delicacies like snails and oysters and Avignon is no exception.

Where is Avignon

Avignon is in the south east of France near Provonce.
