12

Skills and Knowledge Building

Independent Work
Research & Analysis of Sources
Synthesis & Evaluation of information and data
Structuring written, verbal & visual content
Presentation skills, and dealing with Q&A

Career Ideas

Research
Academia
Consulting
Policy

Builds on

Skills rather than knowledge:
- Research skills (E.g., science)
- Writing skills (English, History)
- Speaking skills (Drama, English)

Grade Criteria

Students need to have qualified for a full A-Level pathway in the Sixth Form; EPQ is offered as an addition, not an alternative.
