

A-Level Post-Results Services

Please complete the **Post Results Form** on the 'Exams-Results Day' page of the school website.

What services are available?

	Type	What happens?
1	Clerical check	Your exam paper is checked to ensure marks have been correctly totalled.
2	Review of marking	Your exam paper is checked to make sure it was marked correctly according to the mark scheme. Marks are changed only if the new examiner feels the mark scheme was not applied correctly. You also get a copy of your reviewed script. This service takes up to 20 days.
3	Priority review of marking	As above - 15 day turnaround. Use this service if your university place depends on the outcome – do not make an access to script requests.
4	Priority access to script	You get a copy of your exam paper back so you can decide whether to request a review of marking.

What do I have to pay?

- You have to pay for **each exam paper**, not for each subject.
- Payment should be made via the St John's Resources shop (accessible from the St John's [website](#).) Please indicate the student's name in the box available for the *Year and Class*, after clicking to proceed to checkout.
