AMH/la-Welcome Letter

Dear Parents and Carers

Welcome from Mr Henderson – Principal

We are absolutely delighted that your child will be joining the St John's family this September. We know that starting a new school is a huge adventure, and we are here to support you and your son or daughter every step of the way.

To help you get settled, we've gathered everything you need—from uniform guides to 'day-in-the-life' tips on our dedicated Transition pages on our school website.

You'll also be hearing from our transition team very soon:

- **Mrs. Hawkins** (Head of Year 7)
- **Mrs. Williams** (Assistant Vice Principal)
- **Mrs. Anthistle** (Transition Co-ordinator)

Think of our website as your go-to handbook for our curriculum and school life; we update it often, so do have a look. We want this journey to be as smooth and exciting as possible, so please don't hesitate to reach out if you have even the smallest question.

We can't wait to meet you all and start this journey together.

With kind regards
