

25th June 2026

Dear Parent / Carer

Early Closure – Friday 26th June - Extreme weather conditions

Following Mr Henderson's communication regarding the early closure of the school on Friday 26th June, this letter outlines important information about transport on the day.

Barnes Coaches, Pewsey Vale Coaches and the 820-minibus service and Wiltshire Council provided Taxis will operate as normal, but at the earlier time of 12:25pm.

Public bus times

Public buses are not able to change their normal scheduled services to accommodate an earlier school run. The table on the following page summarises what public buses are available and/or what alternative arrangements have been put in place. Please read the information carefully as it includes different times and pick up/drop off points, which may have changed from previous years. **Students who normally catch these services will be allowed to leave site early - please note that due to the short notice we are not issuing passes to students who are leaving to catch a public bus.** Students who hold a Wiltshire Council-provided bus pass for a public bus will be able to catch the early services without question from the high street, **but only at the times specified.**

If you have any questions, please do not hesitate to get in touch.

Yours Faithfully

Mrs C. Holman
Vice Principal – Inclusion & Student Engagement, Cover and Transport
