Dear Parents and Carers

GCSE Art and Design – Photography Packs

I am delighted that your son/daughter has chosen GCSE Photography. It is a wonderful subject to study at GCSE as it not only encourages students to develop their creative, imaginative, investigative, analytical, experimental, and interpretative skills it also helps them to foster an independent approach towards ownership of creating and making artwork.

I feel it is important that students learn to take responsibility for their own learning needs and have all the appropriate equipment to study photography at KS4. I strongly advise that all students purchase a photography pack to use in their lessons and at home, costing £28.50

The **Photography pack** contains.

- A2 Carry Case folder to keep photography work stored safely.
- A2 flip file portfolio for larger coursework presentation.
- A4 Flip Folder for displaying contact sheets
- 8 X A2 Mounting Display Card for work.
- White Pen

Payment should be made online through ParentPay. Pupil Premium students will receive their packs directly from their class teacher.

If you have any further questions, please do not hesitate to contact me.

Yours faithfully

Miss E O'Brien
Head of Art and Design
