Apprenticeships - Advice - Success at School

Uk Apprenticeships - Apprenticeships | NGTU

NOT all apprenticeships are on the national apprenticeship site – check the careers/jobs section of **company websites** (search for companies on www.yell.com) Think about your local area and how far you can travel e.g. https://www.nationwide-jobs.co.uk/early-careers/ and https://www.nationaltrustjobs.org.uk/where-you-could-work/apprenticeships/

There may be individual company websites or sector specific e.g. NHS https://www.jobs.nhs.uk/xi/search_vacancy/?action=search&keyword=Apprentice or Civil Service https://www.civil-service-careers.gov.uk/apprenticeships/

Check training providers such as **colleges** e.g. New College or Wiltshire College https://www.newcollege.ac.uk/apprenticeships/current-vacancies/ for their own list of vacancies using them as the trainer partnered with an employer. Check **independent training providers** such as The South West Apprenticeship Company (SWAC) - The South West Apprenticeship Company (SWAC) and Shared Apprenticeships | South West England who may have a range of vacancies for specific industries. Connecting you to Employment and Skills - Work Wiltshire has lots of local advice.

Adverts are also found on Job sites e.g. www.indeed.co.uk www.reed.co.uk www.totaljobs.com but be careful about registering with these – you will receive a wide range of notifications!

Ask your own contacts - friends or family may know of businesses that might interest you and you can get to from your address. Large towns will have more opportunities. Also remember that an employer can set up an apprenticeship from scratch if they want you.

Also check online channels as they sometimes advertise here e.g. Facebook, LinkedIn etc…
