08 October 2026

Dear Parent / Carer,

LAUNCH OF NEW ONLINE REVISION HUB

Following our Year 11 Revision Evening on Wednesday 7th October, I am delighted to announce the launch of our new online revision hub, which can be found in the 'Exams' section of the St John's website.

In the Revision Hub, you will find:

'The St John's Way to Revise' - a guide to the most effective active revision strategies.

'The St John's Journey' - subject-level information and revision guidance for every upcoming mock exam, together with week-by-week revision schedules for English, Maths, Science, Geography and Religious Studies.

Useful Websites to help your child revise and manage wellbeing during exams.

Online Resources Shop where you can purchase revision guides in a range of subjects.

'Revision Matters' – our newsletter for Year 11 parents, which will be sent out at regular intervals in the run up to the exams.

Information Evening – all the presentations from the Revision Evening.

We have launched the Revision Hub to give you greater visibility of what your children are working towards and to equip you with the tools you need to support them at home.

Remember that we have a wide range of in-school support, including the tutor revision programme, study skills session, revision clubs that are already running and a full subject revision programme that will be communicated to you after Christmas.

Your feedback makes a difference

We are always striving to improve the support we provide to students and parents and would value your feedback. Please complete the form below to share your thoughts.

Year 11 Revision Evening: Feedback – Fill in form

Yours faithfully,

Mrs K Room
