Year 10 Mock Interviews

8th -10th March

- Students complete an application form
- Interviews are 15 minutes and held at Marlborough Town Hall with external employers
- The interview is a general interview based on their interests and how they present themselves
- Students can wear something appropriate for an interview situation

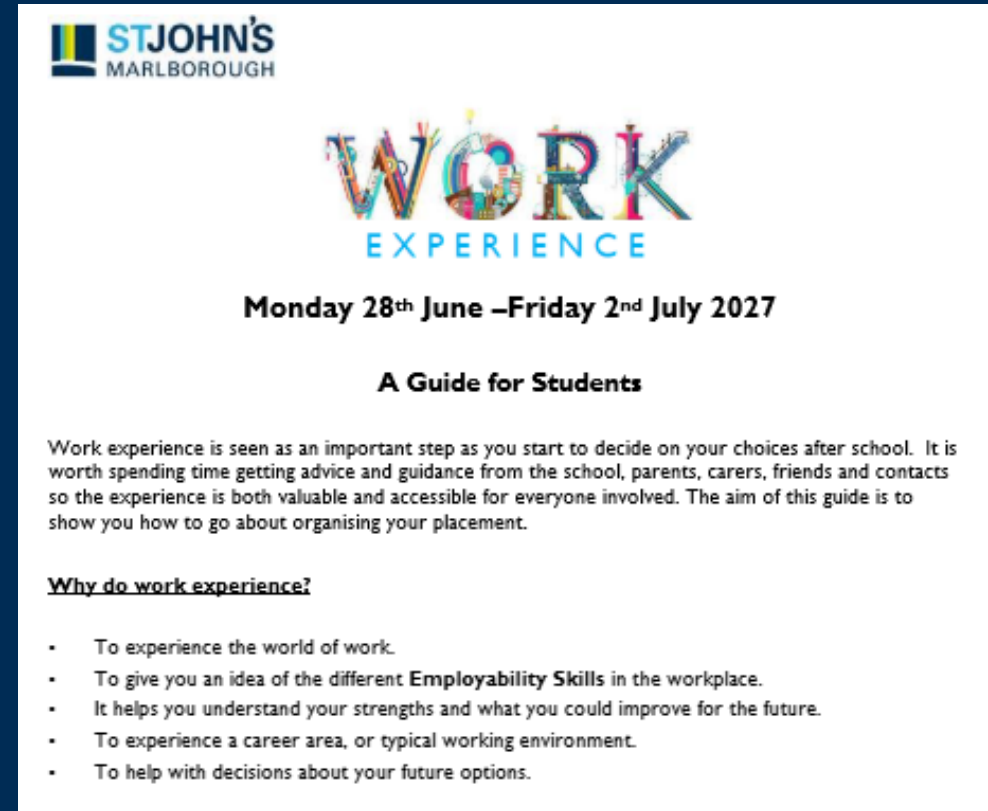

Work Experience

28th June - 2nd July

- Information delivered through assembly and parents evening including work experience guides.
- Students organise their own placement – but we are here to help. All placements must have employer liability insurance.
- Placement must be approved by the school. Students can go to placements outside our immediate area but high-risk placements are limited to 10 miles from the school.
- Once an employer has provisionally agreed to take a student, the student starts the process using the Unifrog placement tool.

The Careers and Work Related Learning Department at St John's is dedicated to helping our students achieve their full potential by providing them with the necessary skills, knowledge and guidance to enhance their employability, helping them to succeed in their future careers. We offer a range of services and resources that cater to the needs of our students, including careers education and guidance, work experience opportunities, apprenticeship advice, interaction and experience with different employers and organisations and much more. We believe that every student deserves the chance to explore their interests, develop their skills and make informed decisions about their future. All students receive careers education lessons focusing on helping them to use the knowledge and skills they develop to make successful transitions into the world of work.
