REF: AMH/coldweather/041126

4th November 2026

Dear Parents and Carers,

Reminder: School Uniform Expectations During Colder Weather

As the colder weather has now arrived, I would like to take this opportunity to remind all parents and students of our school uniform expectations.

While we appreciate that students may wish to wear additional layers to keep warm, it is important that our uniform standards are maintained throughout the school day.

Please ensure that your child follows the expectations below:

1. **School jumpers and blazers:** Only school-branded jumpers or school blazers (if your child is in Year 11 only) should be worn as part of the school uniform.
2. **No hoodies:** Hoodies are not permitted at any time (except Year 11 who may choose to wear the old style PE hoodie as part of their PE kit).
3. **Outdoor coats:** Pupils should wear a suitable warm coat when travelling to and from school and when outside during colder weather, rather than wearing non-uniform items indoors.

Parental Responsibility

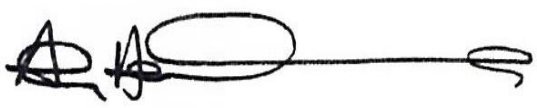

We will not accept written notes from parents that excuse their child from adhering to the uniform policy. Unless your child has explicit permission for a uniform adaptation, exceptions are not permitted.

It is the responsibility of parents and carers to ensure that their child has the correct school uniform each day, including appropriate school-branded layers to keep warm during the colder months.

We appreciate your support in upholding our uniform expectations and ensuring consistency across the school. These expectations apply to all students, and we ask that parents and carers take responsibility for ensuring they are followed.

Thank you for your understanding and continued cooperation.

Yours faithfully,

Alan Henderson

Principal
